

Meridian Data Services

— General Terms

(MER-GT-2026)

1. Term. This Agreement commences on the Effective Date and continues for a period of thirty-six (36) months.
2. Breach and Cure. A party in material breach shall have a cure period of forty-two (42) days from written notice before the other party may terminate. This cure period is deliberately longer than the market standard.
3. Service Credits. If monthly uptime falls below 99.9%, the Customer is entitled to a service credit of five percent (5%) of the monthly fee for each full percentage point below target.
4. Data Residency. All Customer data shall be stored within the European Economic Area unless the Customer expressly authorises otherwise in writing.
5. Audit. The Customer may audit the Provider's security controls once per calendar year on thirty (30) days notice.
6. Governing Law. This Agreement is governed by the laws of the Republic of Ireland.
